The vestry and I have just been on a wonderful retreat led by Lisa Irish, a grief counselor at St. Raphael's hospital, who walked us through the grieving

process to help us become aware of the needs of the people of St. Peter's. We learned that we all have different ways of coping with grief and heal at very different paces. We recognize that some of our members may be very much in need of further healing work, some from experiences connected to those who were very much a part of the St. Peter's family, while others are facing challenges from things that have happened in their own lives. There are many other parishioners and newcomers who are ready to be moving on to reorganization

and rebuilding. It is my hope to be responding in different ways both to the need for continued healing work (something I believe churches always need to be offering) and for the need to move forward in ministry to others, in spiritual growth, and in opportunities for fellowship and celebration together as the body of Christ. It is perfectly normal for many to be moving back and forth between these different needs so we will continue to provide different kinds of experiences for people with different kinds of needs.

We hope to be offering another healing service very soon and to provide an evening of contemplative prayer. We currently have a number of Bible Studies going on, having begun the Bible Study "Breaking Free" in December and a Bible Study on the Gospel of John in January. The Alpha program has also begun providing

an opportunity for people to work through questions of faith and to develop a stronger understanding of what scripture teaches. We welcome your thoughts and ideas about ministries or opportunities to further enhance the life of our parish. There are many opportunities to be involved in ministry here at St. Peter's so please don't hesitate to speak with me or anyone else in leadership if you are looking to become more involved.

Food Bank Donations

St. Peter's continues its weekly collection for the Milford Food Bank at the
 Milford Senior Center. There is always a need for staples such as cereals,
 pasta, and peanut butter and jelly. Those items would be especially
 welcomed. *Please place all food donations in the basket located in the
 Narthex of the church.*

Altar Flowers

Flowers are a wonderful way to mark an event or a life, and help to
 support the ministry of St. Peter's parish. Flowers may be given in
 memory of a loved one, celebration of birthdays, anniversaries,
 graduations, births or any occasion that you would like to celebrate. The
 suggested offering is \$25 to cover the cost of the flowers, but any
 donation is accepted. *If you are interested, please contact the Church
 office.*

Coffee Hour

Caring for our Community - Coffee hour is a ministry by and for those
 who attend worship on Sunday mornings. Coffee hour is only possible
 through volunteers and donations. St. Peter's supplies the coffee. You
 may choose to host on your own, or as a group. It is a great way to meet
 new parishioners and share in fellowship. Ask someone who has not
 hosted before to join you! There is a sign-up sheet on the bulletin board
 in the Parish Hall.

Have you met Amanda Sayers?

Amanda has been employed by St. Peter's since December, watching over the little ones on Sunday morning during the 10:00 a.m. service.

Amanda grew up in West Haven and attended Our Lady of Victory (grammar school), Bailey Middle

School, West Haven High School and then graduated from Southern CT State College. She has a degree in Elementary and Special Education with a minor in Creative Writing and Spanish. As a child, Amanda always knew she wanted to work with kids. She has a younger sister.

Amanda is working at "Once Upon a Time" a Child's Day Care in Milford, and is substitute teaching in North Haven while she pursues a full time teaching job. Amanda loves the theater, country music and has just found a new love – skiing!

On February 10th at 9:15 a.m., in the Child Care room, a "Meet and Greet" Amanda will take place. Anyone who would like to meet Amanda, ask questions, see the Child Care room, etc., please stop by.

News Update – Nathan Bontrager

Email update: Jan 2013

Hello friends new and old, near and far. In fact, most of you now fall into the 'far' category, geographically speaking. If that doesn't compute allow me to explain; as of last September I now live in Cologne, Germany. This Fall I made good on two major goals I've had for some time, namely, to spend an extended time living overseas and to earn a graduate degree in Early Music. The former should be pretty obvious. Regarding studying, I'm pursuing a Master's in Baroque Cello at the Folkwang University of the Arts in Essen. Balancing being a formal student with remaining active as an experimental musician takes some work but after a few months here I'm getting the hang of it. I have some upcoming performances in the worlds of music both old and new which I'm excited about and some more in the works. I realize most of you aren't in a position to come and listen but feel free to forward this message to your cronies in godless Europe who might be nearby and interested. It was hard to say goodbye to my friends and life in New Haven but this is in no way the end of those musical endeavors. To that end, keep your eyes peeled for **albums on the way** from **Broadcloth** and **Dr. Caterwaul's Cadre of Clairvoyant Claptraps** as well as a hopeful Broadcloth tour in the US in August. A big shout out to all my colleagues and students in CT and NY, especially my closest musical collaborators and friends these last three years: Anne Rhodes, Adam Matlock, Brian Slattery, Carl Testa, and Michael Paolucci. If you're wondering what I miss the most (besides, obviously, family and friends) it falls neatly into two categories: fiddle tunes and witty banter. I'm treating my old-time music needs by learning to play the fiddle and am trying to coerce as many Germans as possible into the ecstatic world of never ending Appalachian grooves. The banter will have to come later as I'm currently at a semi-vegetative level re: the Alpine force that is the German language. Stay in touch and stop on by if you find yourself near Cologne. We'll drink a Kölsch and consume a giant sausage.

Mark your calendars now for Valentine's Day at the Outer Space in CT Dr. Caterwaul's Cadre of ClairvoyantClaptraps (drcaterwauls.bandcamp.com) – a wide-ranging "folk" group playing anything from old-time to tango to Sigur Ros.

Do you like to Clean?

Nancy Lang would like to gather a group of parishioners together to help with some cleaning projects around St. Peter's. Projects like cleaning the kitchen - REALLY cleaning the kitchen. Clean out cupboards and cabinets and the refrigerator. Perhaps clean and dust in those nooks and crannies that are sometimes overlooked in the church, chapel and narthex. You only need to volunteer once, help out with something you like doing! Share in fellowship and make the church sparkle! If you are interested in helping out, please call Diane Gendreau at 203-988-3936 or Nancy Lang at 203-874-6360. Thank you Nancy for suggesting and taking on this responsibility!

Souperbowl Sunday

On Sunday, February 3rd, 140 million Americans will tune in to the Super Bowl. There will be parties with abundant food, friendship and fellowship. At the same time, there will be people worrying about staying warm, finding shelter and a warm meal. Please join many people around the U.S., including many churches in Milford, as they demonstrate God's love by loving their neighbors through the Souper Bowl of Caring. Drop whatever you can afford in the "Souper Bowls" to support Beth-El Center for the Homeless and Soup Kitchen. Those who need help may not know that you cared but God will.

Christian Formation

There will be **NO CLASSES** on February 17th, due to February Break.

Meeting Dates- February 7th and 28th

BAKE SALE!

The Youth Group will be hosting Coffee Hour on Sunday, February 10th. All items will be baked goods prepared by the Youth Group and for sale, after both services. Profits from our bake sale will go toward our Mission Trip to Pittsburgh this summer! Please plan on coming to support our group. Thank you!

Manos de Dios #6 News

Thank you everyone for helping us with the final Manos de Dios #6 fundraiser. Good food, good company and great silent auction items made for an exciting and memorable

evening. It is because of your support and generous donations that we are able to provide a home for Anastacio and Imelda and their children Jesus, Marlen, Denisse, and Vianey. Pray that God will

protect this family and bless them in their new home. Team members will be commissioned at the 8:00 and 10:00 services on Sunday, February 10th. The Manos de Dios team members will be leaving on Sunday February 17th at 4:30 a.m. Please keep the members of the Manos de Dios mission team in your prayers: Patrick Bell, Erica Durazzo, Richard Durazzo, Rebecca Fraleigh, Diane Gendreau, Michael Gendreau, Conrad Green, Dee Green, Natalie Green, Curtis Green, Kathy Hebert, Rich Hebert, Barb Lewis, Linda Roti, Ana Schwartz, Colleen Shelton and Karen Vital.

[God's Prescription for Good Health](#)

by Rick Warren

“Keep my commands in your heart, for they will prolong your life many years and bring you peace and prosperity.” (Proverbs 3:1-2 NIV)

If I had a pill that promised to add years to your life, you’d probably pay a lot of money for it. But what if I told you that, as a Christian, you already have the key to a long life and that it’s free?

God has given all of the principles for health management in his Word, the Bible. The Bible is the owner’s manual for your body. As David says, “You made my body, Lord; now give me sense to heed your laws” (Psalm 119:73 LB). And in Deuteronomy, it says, “These instructions are not mere words — they are your life! By obeying them you will enjoy a long life in the land ...” (Deuteronomy 32:47 NLT). God says, “If you do what I tell you to do with your health, you will enjoy a long life.”

Our key verse today says, “Keep my commands in your heart, for they will prolong your life” (Proverbs 3:1 NIV). What are some of those commands? “Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight. Do not be wise in your own eyes; fear the Lord and shun evil. This will bring health to your body and nourishment to your bones. Honor the LORD with your wealth, with the firstfruits of all your crops; then your barns will be filled to overflowing ...” (Proverbs 3:5-10 NIV).

These verses highlight some factors that you probably don’t think about but that will keep you healthy: tranquility, trust in God, integrity, humility, and generosity. These things will cause your health to be better, because your physical health is influenced by your spiritual health.

Over the next few days we’ll look at some specific things the Bible says you should do for good health. For today, take some time to meditate on Proverbs 3:1-10 and ask God to show you ways you can grow in tranquility, trust, integrity, humility, and generosity.
