We are in a time of year marked by celebrations and family gatherings. Weddings, anniversaries, and graduations marking major milestones in people's lives are opportunities to gather with family and friends to celebrate. They are also opportunities to keep the Lord central and to place those relationships and those life transitions into His hands. In doing so we can truly celebrate without the anxiety or fear that can accompany those transitions because we know He will be with us as

we move forward into whatever lies ahead. I can remember when Chet first proposed to me. We went out to have a drink to celebrate before telling anyone else and no sooner had we sat down with his beer and my glass of wine in front of us when he shot up and said, "Let's go for a walk." So we left; our drinks untouched. He had suddenly been hit with the enormity of the responsibility he had committed to and had to walk off the sudden panic! We are now about to celebrate our 26th anniversary and we have a strong and healthy relationship but it is because the Lord has seen us through those challenging times. We have learned to bring our concerns to Him in prayer and to trust that He is with us through the hardest of times. We have found that even though He has a way of waiting until the 11th hour to come through with provision for a need or a solution to a challenge, He does always come through! He just wants us to trust Him and learn to wait patiently knowing He is faithful and will do it! Isaiah 40:31 says, "They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

As we recognize the blessing of the accomplishment or exciting milestone someone is celebrating, we might also let them know that we are prayerfully placing them in the Lord's hands that He would be with them and encourage them in the wonderful adventure they have ahead! We just had the memorial service for Morris Bishop at St. Peter's and it was truly a celebration of life because he had walked with the Lord in life and we could be confident that he is with him in heaven now. About 7 years before he died, he and Rose sent their children a short wish list for Christmas. They were really rules to live by - words of wisdom gained from a lifetime of living. First on the list and echoing throughout was, "Keep God as the focus of your life." This principal had been their centerboard and rudder in life and has served them well as was demonstrated in the amazing legacy he has left behind.

We are celebrating our 250th anniversary this year at St. Peter's and we are looking ahead to the future knowing that the Lord has a wonderful future in store for us. In this milestone year our scripture verse has been Jeremiah 29:11, "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future." We know that this promise assumes we are walking with the Lord daily through prayer and reading His Word. Share in this walk with us so that we as the body of Christ will be walking into the abundance of life that He has promised us! In so doing, what a celebration it will be!

Expenses year-to-date	<u>(96,690.29)</u>

Food Bank Donations

St. Peter's continues its weekly collection for the Milford Food Bank at the Milford Senior Center. There is always a need for staples such as cereals, pasta, and peanut butter and jelly. Those items would be especially welcomed. *Please place all food donations in the basket located in the Narthex of the church. The basket will be brought up during the offertory, recognizing that these are a part of our gifts being offered to the Lord.*

Altar Flowers

Flowers are a wonderful way to mark an event or a life, and help to support the ministry of St. Peter's parish. Flowers may be given in memory of a loved one, in celebration of birthdays, anniversaries, graduations, births or any occasion that you would like to celebrate. The suggested offering is \$25 to cover the cost of the flowers, but any donation is accepted. *If you are interested, please contact the Church office.*

Coffee Hour

Caring for our Community - Coffee hour is a ministry by and for those who attend the 10:00 a.m. worship service on Sunday mornings. Coffee hour is only possible through volunteers and donations. St. Peter's supplies the coffee. You may choose to host on your own, or as a group. It is a great way to meet new parishioners and share in fellowship. Ask someone who has not hosted before to join you! There is a sign-up sheet on the bulletin board in the Parish Hall.

News from the Youth Group

The Youth Group will be traveling to West Virginia on June 28th to serve Charleston through Youth Works, an organization that offers Christ-Centered Mission Trips. They will be doing labor jobs such as clean-up in the community or small home repairs, and assisting in "Kids Club", a "day camp" for children of that community. During Kids Club, the youth will do arts and crafts, play games, and teach the children Bible Verses and Christian Songs.

Upcoming Fund Raising efforts will be:

Breakfast: On June 1st after both services.

Car Wash: On June 7th, from 9 a.m. – 3:00 p.m.

Junior Warden's Report

As most of you know, St. Peter's is preparing for some major renovations including repointing the exterior brownstone, installing new stained glass window covers, and painting the interior of the church. All of these renovations present challenges like finding contractors who will do the work for a reasonable price, scheduling when the work will be done, and finding ways to fund the projects.

The brownstone work is the largest job that needs to be done. We have obtained rough estimates and have had several contractors look at the condition of the building. Although there are many areas that need repointing (repointing is the process of removing deteriorated mortar from the joints between the brownstone and replacing it with new matching mortar) the area that needs the most attention is the

top ten feet of the tower over the narthex and the entire steeple. Over the next few months we will continue to work with contractors to obtain more quotes. Although this work needs to be done, it has been decided to put it off until next spring or summer due to funding issues and the upcoming 250th celebration.

As I reported last month, Tyler Lewis and Rich Hebert are planning to polish the stained glass window coverings as a stop gap solution to replacing them. The plan is to get this done in June or July. The option to purchase new window covers is still on St. Peter's Wish List for those who wish to purchase a new cover. Donations may be made by writing stained glass cover on your check or offering envelope.

That leaves painting the interior of the church. The quotes that we have received thus far are very high. The lowest was nearly 80 thousand dollars but included painting the ceiling which we will not be doing. We are currently waiting for revised quotes, but I am not confident that those numbers will be workable, so we have devised a plan to do the work ourselves if the new quotes are too high. I would like to compile a list of parishioners with plaster repair and painting skills in the event we end up doing the painting ourselves. If you are interested please email me at cagreen@optonline.net or call me at 203-687-7648.

It is clear that the biggest hurdle we need to conquer is funding these projects, but I believe that our faith in the Lord will carry us over whatever is thrown into our path.

Respectfully,
Conrad Green
Junior Warden

Have You Met David and Bernadette DeRubeis?

David and Bernadette DeRubeis can usually be found at the 10:00 o'clock service on Sundays. They have been attending St. Peter's since the autumn of 2008. They now consider themselves Episcopalians, however, like so many of us, they were both baptized in the Roman Catholic Church, and received all their sacraments in the Catholic Church.

The DeRubeis family includes three sons, Jonathan, and 18-year-old twins, Drew and David, Jr. Jonathan's wife is Maquel DeRubeis and they are the proud parents of two sons, Mason, age 2, and a newborn son named Chase. Jonathan is a Police Officer in Orange and his wife, Maquel, teaches third grade in the Bridgeport School System. The twins are just finishing up their first year of

college. Drew is studying mechanical engineering at Worcester Polytechnic Institute in Worcester, MA, and David is a Criminal Justice major at Albertus Magnus College in New Haven and has made the Dean's List.

David Sr. attended Iona College in New Rochelle, NY, and received a degree in Mortuary Science from McAllister Institute in New York, NY. Bernadette attended Sacred Heart University and received a certificate in Paralegal Studies from Post University in Waterbury.

Dave has been a licensed funeral director for over 37 years. He owned and operated his own funeral home in St. Johnsville, NY from 1979 to 1983. He is currently the Managing Partner at Cody-White Funeral Home in Milford, a position he has held since 2001.

Bernadette has been a Judicial Assistant for the Honorable Janet C. Hall, Chief Judge of the United States District Court in New Haven, CT since Nov. 2006. Prior to joining the District Court, she was a paralegal at Collins Hannafin Law Office in Danbury, CT.

David and Bernadette enjoy spending time with their family and watching their sons play baseball. All three boys have played baseball from t-ball through college. Dave spent many years coaching when the boys were younger. They now enjoy being spectators and have spent many days watching games and traveling to tournaments. Dave also spends some of his spare time umpiring for youth baseball games. They also enjoy spending time at the beach, kayaking, and hosting family barbecues throughout the summer.

As active members of St. Peter's, both Dave and Bernadette have attended Alpha and have participated in weekly Bible studies as well as the Lenten Bible study. David is a member of our Vestry. Being a member of St. Peter's parish has been a wonderful experience for this family. When they started attending services at St. Peter's, they did not anticipate how involved they would become. They love the warm family atmosphere here and the spiritual fulfillment of being a parishioner.

Both Dave and Bernadette believe that St. Peter's has a bright future. They believe that "It is a pleasure to see new faces at services every week. We admire all the different ministry work being accomplished." They hope to be a part of this church community for many years to come!

Wish List

As we are looking forward to our “250” celebration, many of you have asked about things you could give to the church in memory of a loved one or simply as a gift. The following are some ideas. We will keep the parish notified as we receive estimates for the items listed. You may also contribute towards a project or gather a group to contribute or work or donate on a project.

- Repair of organ chimes
- Re-covering the stained glass windows with clear protection (price \$1,000.00 per window, 30 windows)
- Resealing and repointing of the brownstone of the church
- Upgrade of lighting in church and parish hall
- Sound system upgrade
- Repainting sanctuary and repairing cracks
- A pair of red Bible Markers to go with the set of red altar vestments (price approximately \$200.00 for the pair)
- Two new large electric frying pans for the kitchen

Thank you

Special thank you to:

Beverly Gregory and Mary Beth Saltzman for re-covering two stained glass windows with clear protection.

Daniel Blanchet for the new white Pall for use in the chapel at the Wednesday Eucharist.

Bonnie Nielson and the Smith family for the donation of the new white vestments for the church given in memory of Brenton Smith. The vestments were used for the first time on Easter Sunday.

The refurbishing of the brass lectern, the book stands, flower vases and the offertory plates were refurbished with funds from the Memorial Fund.

God's Family is the Church

by Rick Warren

“You will all be joined together, and you will give glory to God the Father of our Lord Jesus Christ. Christ accepted you, so you should accept each other, which will bring glory to God.” (Romans 15:6-7 NCV)

There are only two ways to get into a family: You can either be born into it, or you can be adopted into it. God does both for you! It's called being born again, and it's called being adopted into the family of God. God does both.

In Roman law, during New Testament times, you could disown a child you birthed. But if you adopted a child, you were forbidden to ever disown that child. God says you are not only born again into his family, but he has adopted you, and there is no way he could ever disown you. That's good news!

You may ask, “No matter what I do? Really?” No matter what you do!

Once you're born, you cannot be unborn. Once you are born again, you cannot be unborn again. You can grieve the Father, just like we sometimes bring grief to our earthly parents. The fellowship may be broken, but no matter what your parents say, everybody knows you are still their child. In the same way, once you become a child in the family of God, you're in!

The Bible says in 1 Timothy 3:15, *“I want you to know how people who are members of God's family must live. God's family is the church”* (GW). This means church is not something you go to. Church is something you *belong to*. We are the family of God.

Many people think that Christianity is a belief system, but it is a *belong* system. Yes, there are beliefs involved, but it's more than that. It means you are a part of the body of Christ.

You belong to the family of God: *“You will all be joined together, and you will give glory to God the Father of our Lord Jesus Christ. Christ accepted you, so you should accept each other, which will bring glory to God”* (Romans 15:6-7 NCV).

Talk It Over

- What are the benefits of belonging to the family of God?
- What is the evidence in your life that you belong to the family of God?
- How are you using your gifts to bless your spiritual family?
